To natives having volunteered
To return to Sydney and Parramatta
On settlement at Port Jackson to
their frequenting the above places
provided they behave greatly,
otherwise they are to be reported to the
headquarters who will order them to be
sent forth— The natives about Kitty
and George River to continue their
exploitation the same order of the Gulf
of Carpentaria to continue or form respecting
this place, and it is hoped that
consideration of the native quality
Maguin to might effectually prevent
any further mischief in those quarters.
