Sir,

I am directed by the Marquis of Lansdowne to transmit to you the copy of a communication from the Committee of the Aboriginal Protection Society urging that the Native in the Australian Colonies

John斯顿 Esq.
should be admitted
to give evidence in
the Court of Law, and
I am to request that
gaze will state, for
his Lordship's infor-
nation, whether
in
point of fact any
objection has ever
been made to admit
the evidence of the
Aborigines in the
Court of New South
Wales and if so, in
what manner you
Conceive that defect in the administration of justice could be most properly remedied.

Sir,

Your most obedient humble servant
