For of licence which exists in the Commonwealth. 

This is my modification of the law of licence 

now existing. The law is based on the 

assumption involved is for greater 

law of Scotland to act as a check on the 

licensing in Scotland. 

I remain 

known here in certain cases where 

the matter is some will of convenient to 

for the statements of the witnesses 

that might be required on evidence, 

it being of hardship so with the 

information of in such cases unless it 

is shown that an outside 

cased to be considered 

was transmitted
