Mr Earl,

You are required to make the enclosed notice as public as possible for general information, & to act upon it yourself as vigilantly as you can. The native

is the same who stole the dog from Mr Blackland's people; & thence the ~~several~~ encounter that ensued. If taken he must be sent to Wallis Plains to be tried by a bench. As there are several natives by the name of "Jerry" you must be cautious lest you take the wrong one, & give cause for ill-will, which must of all other things be avoided.
